

COMMANDO UNDERSTANDS THE LGBTQ+ AUDIENCE AND EXECUTES FROM DESIGN TO DELIVERY

With a combined **30+ years of LGBTQ+ marketing and advertising expertise**, **COMMANDO** is a **perfect partner** when you want to make an intentional impact in the **LGBTQ+ space**. **COMMANDO** leverages its knowledge base of the sexual health field and vast experience in digital advertising to **exceed your goals and expectations** to **get you the results** you've been looking for. **Don't take our word for it!** Read what others have been saying about **COMMANDO** for years!

“We were very impressed that **COMMANDO** took control of the entire project and delivered a high-quality, successful campaign from beginning to end. I expect that other parts of the state will want to replicate what **COMMANDO** was able to do for us.”

JEFFREY ERDMAN

Associate Executive Director,
Illinois Public Health Association

“Working directly with each platform was time-consuming and expensive. **The COMMANDO team** took all the pressure off us. We told them our objectives, and they handled nearly everything. They did much more than I could have imagined.”

HEATHER MEADOR

Clinical Branch Supervisor,
Linn County Public Health

“The **COMMANDO** team has a specific understanding of our patients and know who they're trying to reach. I've been in marketing my whole career, and I've never seen anything like it. **Thanks to COMMANDO, we now have 14,000 patients.**”

ROB BIRKHEAD

Marketing Director,
Music City PrEP Clinic
